### THE BARB HART HARRIS ATHLETE ASSISTANCE BURSARY

#### **PHILOSOPHY:**

The Barb Hart Harris Athlete Assistance Bursary is designed to support both male and female athletes actively participating in Field Hockey BC Regional Programming. With an obvious emphasis on financial Athlete Assistance, this Bursary also recognises those that are essential to helping to retain active athlete involvement in organized sport.

For Barb Hart Harris whose name is directly associated within this Bursary, an essential catalyst to lifelong involvement in Field Hockey in BC and Canada, was as a direct result of the positive influence of coaches May Brown and Bim Schrodt. Barb is forever grateful for May's and Bim's guidance and support turning an initial exploration into organized sport into a passion for field hockey for life.

The hope in offering this bursary assistance through the FHBC Foundation is that this will provide a similar opportunity for countless field hockey athletes to cement a similar passion for field hockey and for the benefits of involvement in organized sport.

#### **DESCRIPTION:**

Two awards of up to \$750 will be made annually. However, if there are multiple candidates accepted, smaller amounts may be considered.
